Byblos

Lebanese Restaurant

Our Story...

The Hedary family was born in the troubled land of Lebanon, in the Middle East.

Nearly 30 years ago they moved to the United States and settled in Fort Worth.

The whole family, including Byblos owner Marios Hedary, wants to share a love and understanding of their native land with people in North Texas.

Marios and the Hedary family invites teachers and students to visit our establishment. Many schools have done so before and had great fun and a great learning experience.
